Udo's Oil® 3-6-9 Blend contains the ideal balance of Omega-3 and -6 essential fatty acids (2:1) for people who want one product that gives them all of the good fats they need, without any of the bad fats they should avoid. Every cell, tissue, gland, and organ is dependent upon the presence of essential fatty acids. They are the main structural component of cell membranes and are necessary for cell growth and division.

Udo's Oil is formulated by Udo Erasmus, PhD, an internationally acclaimed authority on the subject of essential fatty acids and author of the groundbreaking book *Fats That Heal Fats That Kill*. Udo's Oil Blend is fresh-pressed in a state-of-the-art, low heat, light- and oxygen-free environment and packaged in an environmentally friendly glass bottle.

Suggested use: Take 2 softgels three times a day with meals. Keep out of reach of children. Store in a cool, dry place.

Udo's Oil® 3-6-9 blend softgels are ideal for travelers and people on the go as a "maintenance use" omega fatty acid supplement. For best results, use Udo's Oil 3-6-9 blend in liquid form and take 1 tbsp. or more per day with meals (up to 1 tbsp. per 50 lb. of body weight per day).

Security sealed for your protection. Do not use if seal is missing or damaged.
