BEST BEFORE:

Yoga for Natural Comfort

Lie on back, bring knees to chest and hold them snugly. Relax in this position, breathing long and deep for 1 to 3 minutes. Enjoy the feeling of comfort as your body returns to its natural state of balance.

Before doing this exercise or participating in any exercise program, consult your physician.

Our story began in 1969 when Yogi Bhaan, an inspirational teacher of holistic living, started teaching yoga in the west. He shared with his students his wisdom and knowledge of healthy living and the beneficial properties of herbs, all while serving a comforting and aromatic spiced tea they affectionately named "Yogi Tea".
