Yoga to Refresh Yourself

Sit straight. Create hooks with your hands and then lock them together at chest level. Keep lower arms parallel to ground, twist upper body and head first to the left, then to the right. Inhale as you turn to left, exhale as you turn to right. **Continue for 1 to 3 minutes.**

Please ask your doctor if this exercise is suitable for you.

Our story began

in 1969 when Yogi Bhajan, an inspirational teacher of holistic living, started teaching yoga in the West. While sharing his wisdom and knowledge of herbs and healthy living, he would serve his students an aromatic spiced tea they affectionately named "Yogi Tea".
