

GRAPE FROST

MAXX RECOVERY™

PUTTING IT ALL BACK together takes protein, carbs and rest. Protein for muscle rebuilding, carbs for glycogen replenishment and enough time off to maximize results. Maxx Recovery™ piles it on while holding back on sugar and fat. That's how ABB helps you come back greater than before.

RECOMMENDED USE:

For Post-Workout Recovery: Begin drinking one (1) bottle of MAXX RECOVERY™ immediately upon completing your workout. **For High-Protein Daily Nutrition:** Drink one (1) bottle of MAXX RECOVERY™ up to three (3) times daily to support your overall protein and calorie needs. As a general rule, consume approximately one (1) gram of protein per pound of body weight, per day, split evenly over five (5) to seven (7) meals and supplements.
