

Suggested Use: Take 5 tablets daily preferably with food. As an exercise aid, take 5 to 10 tablets thirty min. prior to physical activity or as directed by a health professional.

If you have a medical condition, are pregnant, lactating or taking medication, consult your health care professional before using this or any other nutritional supplement.

Store in a cool, dry place.

Tablet color may vary.

Caution: Keep out of reach of children.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, mitigate, treat, cure or prevent any disease.

The unique characteristics of MAP® are described in US Patent No. 5,132,113. MAP® provides 99% Net Nitrogen Utilization® (NNU®), the highest in comparison to any dietary protein.*

MAP® is recommended as a core component of the dietary management of athletes, specifically those who wish to:

- *Maximize Protein Synthesis
- *Maximize Muscle Strength
- *Maximize Muscle Endurance
- *Speed Up Muscle Recovery
