A Dietary Supplement Vegetarian/Vegan

SUGGESTED USAGE: Take 2 capsules 1 to 2 times daily, preferably with food, or as directed by your healthcare practitioner.

HOW IT WORKS: Red Yeast Rice is a natural product that has been used by Asian traditional herbalists since approximately 800 A.D. Produced by fermenting Red Yeast (*Monascus purpureus*) with white rice, Red Yeast Rice is commonly used in cooking applications to enhance the color and flavor of foods. Protocol For Life Balance® Red Yeast Rice Extract is carefully produced to avoid the presence of citrinin, an unwanted by-product of the fermentation process.

WARNING: Do not use if you are pregnant, may become pregnant, or are breast feeding, because using this product may harm the fetus. For adults only. Consult physician if taking medication (especially statins) or have a medical condition including a history of statin-intolerance or liver disease. Keep out of reach of children. If muscle complaints occur, discontinue use and consult a physician.
