

Garcinia Cambogia

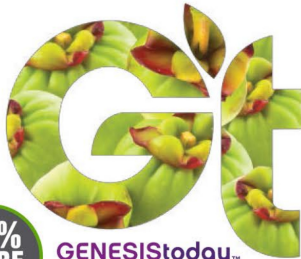

HYDROXYCITRIC ACID

GARCINIA CAMBOGIA EXTRACT

Garcinia cambogia is a fruit native to India and Southeast Asia that resembles a small pumpkin and contains a wealth of nutrients including hydroxycitric acid (HCA). Genesis Today's Garcinia Cambogia is standardized to contain 60% HCA[†] plus chromium and black pepper extract to support healthy weight management.*

Directions: As a dietary supplement, take two (2) capsules three (3) times per day 30 minutes before meals with a full glass of water or as recommended by your healthcare provider. Do not use if seal around cap is broken. Keep out of reach of children. Store in a cool, dry place.
