Experience the flavorful benefits of açaí berry in a 100% pure, organic juice. Simply drink as is or add a serving to your favorite beverage or smoothie.

Açaí berries are an exotic fruit from the Brazilian Amazon rainforest known for their flavonoid compounds, anthocyanins. Anthocyanins are natural pigments responsible for the berry's deep coloring and they contain antioxidant properties. Açaí berries also possess the added benefits of naturally occurring Omega 3, 6, 7 & 9 fatty acids, vitamins, minerals and fiber.

Genesis Today Organic Açaí 100™ is created using the entire açaí berry, including the skin, flesh and juice. Açaí 100 is vegetarian, gluten-free, USDA Organic and Kosher. We source, formulate and test Açaí 100 for purity and taste before offering it to you to ensure that it meets the high standards you expect from Genesis Today.
