

It should be simple: the right combination of specifically targeted ingredients, in specifically chosen amounts, all blended together to produce a scientifically sound pump product. It should be, but it isn't. It is a good thing for consumers, then, that Core Nutritionals loves a challenge. With Core PUMP, we have accepted that difficult challenge and entered the non-stimulant, preworkout "pump" category with a fresh, innovative new entry. PUMP is expertly formulated, using the highest quality and cutting edge ingredients, to give you pumps so intense you will swear your skin is bursting! †

WARNING: This product is only intended for use in healthy adults 18 years of age or older. Pregnant or nursing women should not use this product. Consult your healthcare provider before using this product, especially if you are taking any prescription, over the counter medication, dietary supplement product, or if you have any pre-existing medical condition including but not limited to: high or low blood pressure, cardiac arrhythmia, stroke, heart, liver, kidney or thyroid disease, seizure disorder, psychiatric disease, diabetes, difficulty urinating due to prostate enlargement or if you are taking a MAOI (Monoamine Oxidase Inhibitor) or any other medication. Immediately discontinue use and consult your health care professional if you experience adverse reaction to this product. Do not exceed recommended serving. Do not use if safety seal is broken or missing. Keep out of reach of children.

DIRECTIONS: Mix 1 scoop with 8-12 ounces of water and consume approximately 15-30 minutes prior to your workout. Do not exceed 2 servings in a 24 hour period.
