NORDIC™ VITAMIN D₃

1000 I.U. D₃

Healthy bones, mood, and immune system function*

Vitamin D has long been known for its important role in regulating calcium and phosphorus levels, and increasing mineralization in the bones.* Nordic Vitamin D₃™ is cholecalciferol, the natural, most easily absorbed and utilized form of vitamin D to support bone, mood, and immune health, and help regulate sleep rhythms.* Each serving provides 1000 I.U. of vitamin D₃ in extra virgin olive oil.*

Suggested Use: One soft gel daily, with food, or as directed by your health care professional or pharmacist.

Store in a cool, dry place, away from sunlight

Do not take if tamper-evident seal is broken or missing

Product protected by U.S. patent #s 6346231 & 6641837

Keep out of the reach of children
