

Certified by the American Vegetarian Association

Algae Omega is a vegetarian source of omega-3, and offers a unique combination of EPA and DHA without the use of fish.

Every batch of Nordic Naturals algae oils is tested by a third-party certified lab for environmental toxins, including heavy metals. All algae oils are in the triglyceride form and surpass the strictest international standards for purity and freshness. Certificates of Analysis available upon request.

Suggested Use: Two soft gels daily, with food, or as directed by your health care professional or pharmacist.

Store in a cool, dry place, away from sunlight

Do not take if tamper-evident seal is broken or missing

Keep out of the reach of children

Nordic Naturals products are never sold under any store brand

Warning: Consult with your physician before using this product if you are allergic to iodine, use blood thinners, or anticipate surgery.
