BONE HEALTH*

Calcium is an essential mineral for strong teeth and bones. It plays an important role in blood clotting and muscle contraction and helps to maintain a healthy nervous system.* Vitamin D helps calcium absorption.*

Suggested Use: Adults, take one tablet twice daily with food or as directed by your physician. Not formulated for use in children.

No yeast, wheat, gluten, milk or milk derivatives, lactose, preservatives, artificial flavor.

As with any supplement, if you are pregnant or nursing a baby, or are taking medication, consult your doctor before using this product. Do not exceed suggested use.

Keep out of reach of children.

Store at room temperature.

Keep bottle tightly closed.
