

Our most powerful oil yet. Ultimate Omega® 2X features the highest-concentration omega-3 fish oil in triglyceride form (the form naturally found in fish) delivering superior absorption and maximum benefits.* With 1000 mg of EPA and DHA in each soft gel, this powerful concentrate offers support for heart, brain, and joint health and promotes optimal wellness.*

Wild caught. Pure. No fishy aftertaste. Friend of the Sea certified.

Every batch of Nordic Naturals fish oils is tested by a third-party certified lab for environmental toxins, including heavy metals. All fish oils are in the triglyceride form and surpass the strictest international standards for purity and freshness. Certificates of Analysis available upon request.

Suggested Use: Two soft gels daily, with food, or as directed by your health care professional or pharmacist.

- Store in a cool, dry place, away from sunlight
- Do not take if tamper-evident seal is broken or missing
- Keep out of the reach of children

Product protected by U.S. patent #s 6346231 & 6641837

Nordic Naturals products are never sold under any store brand

Warnings: Consult with your physician before using this product if you are allergic to iodine, use blood thinners, or anticipate surgery.

Why is TRIGLYCERIDE FORM superior?

Fish naturally contain
OMEGA-3s
(EPA and DHA)
in triglyceride
form.

TRIGLYCERIDE FORM

Omega-3s EPA and DHA in
triglyceride form are better
absorbed by the human body.

ETHYL ESTER FORM

The vast majority of fish oil concentrates
on the market are in the ethyl ester form,
a new-to-nature fat with only about
30 years in the human diet.

WHY WE'RE BETTER

All Nordic Naturals fish oils
are in triglyceride form for
superior absorption.
