

Suggested Usage: Take 1 capsule 1 to 2 times daily. For children (age 4 & up), take 1 capsule daily, or capsule can be opened and added to food or beverage. Not intended for use by children under 4.

REFRIGERATE AFTER OPENING TO MAINTAIN POTENCY.

NOW® Respiratory Care Probiotic is a probiotic combination featuring *L. acidophilus* NCFM®, which has been used in over 60 scientific studies. When used alone or in combination with *B. lactis* BI-04, NCFM® has been shown to support a robust, but balanced, immune response to seasonal respiratory challenges, as well as to support an active lifestyle.* NCFM® can rapidly populate the intestine and adhere to the intestinal wall, which is helpful for use during and after temporary disruptions to intestinal microbiota.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: Consult physician if pregnant/nursing, taking medication (especially immune-suppressing drugs), or have a medical condition (especially if immune system is compromised). Keep out of reach of children.

Do not eat freshness packet. Keep in bottle.
