Distributed by Albertsons, Inc.
Boise, Idaho 83726

Suggested use: Chew one tablet daily, preferably with a meal. These tablets have a fabulous orange flavor and may be dissolved in the mouth or chewed.

A powerful antioxidant that helps boost the immune system. It helps retain already healthy cholesterol levels, and produces collagen critical for healthy

cardiovascular function. Chewable tablets are frequently used by individuals who have difficulty swallowing tablets. Some scientific evidence suggests that consumption of antioxidant vitamins may reduce the risk of certain forms of cancer. However, FDA has determined that this evidence is limited and not conclusive.
