

Molecularly Distilled | Guaranteed Purity

NORDIC NATURALS®

Our most powerful oil yet. Ultimate Omega® 2X Mini with Vitamin D3 features the highest-concentration omega-3 fish oil in triglyceride form (the form naturally found in fish) delivering superior absorption and maximum benefits.* This powerful combination offers support for heart and brain health and added vitamin D3 supports immune system function and bone health.*

Wild caught. Pure. No fishy aftertaste. Friend of the Sea certified.

Every batch of Nordic Naturals fish oils is tested by a third-party certified lab for environmental toxins, including heavy metals. All fish oils are in the triglyceride form and surpass the strictest international standards for purity and freshness. Certificates of Analysis available upon request.

Suggested Use: Two soft gels daily, with food, or as directed by your health care professional or pharmacist.

■ Store in a cool, dry place, away from sunlight

■ Do not take if tamper-evident seal is broken or missing

■ Keep out of the reach of children

Product protected by U.S. patent #s 6346231 & 6641837

Nordic Naturals products are never sold under any store brand

Warning: Consult with your physician before using this product if you are allergic to iodine, use blood thinners, or anticipate surgery.

Why is TRIGLYCERIDE FORM superior?

Our most powerful oil yet. Ultimate Omega® 2X Mini with Vitamin D3 features the highest-concentration omega-3 fish oil in triglyceride form (the form naturally found in fish) delivering superior absorption and maximum benefits.* With 520 mg of EPA and DHA and 500 IU vitamin D3 in each soft gel, this powerful combination meets a broad range of nutritional needs.*

Omega-3s help support heart and brain health and added vitamin D3 supports immune system function and enhances calcium absorption for bone health.*

Wild caught. Pure. No fishy aftertaste. Friend of the Sea certified.

Every batch of Nordic Naturals fish oils is tested by a third-party certified lab for environmental toxins, including heavy metals. All fish oils are in the triglyceride form and surpass the strictest international standards for purity and freshness. Certificates of Analysis available upon request.

Fish naturally contain
OMEGA-3s
(EPA and DHA)
in triglyceride
form.

TRIGLYCERIDE FORM

Omega-3s EPA and DHA in triglyceride form are better absorbed by the human body.

The vast majority of fish oil concentrates on the market are in the ethyl ester form, a new-to-nature fat with only about 30 years in the human diet.

ETHYL ESTER FORM

WHY WE'RE BETTER

All Nordic Naturals fish oils are in triglyceride form for superior absorption.
