DIETARY SUPPLEMENT

SUPPORTS DIGESTIVE & INTESTINAL HEALTH*

Nature's Bounty® Optimal Solutions® Controlled Delivery Probiotic takes advantage of today's nutritional scientific innovation with a targeted approach to digestive health.* We've combined our exceptional probiotics with BIO-tract® technology.

BIO-tract® technology is the process of enrobing our probiotics with a vegetarian gel-like substance that protects the ingredients from gastric acids. **BIO-tract®** technology allows the caplet to pass through the digestive tract, and release live organisms at targeted locations within the digestive system.

Probiotic Organisms include: (L. plantarum, L. acidophilus, L. fermentum, L. rhamnosus, B. bifidum, B. longum)
