Vitamin C is an essential nutrient kids need for growth and development.* In addition to supporting many of the body's physiological functions, vitamin C supports a healthy immune system and provides antioxidant protection.* Nordic Naturals Vitamin C Gummies are delicious, sour, tangerine-flavored gummy slices that are suitable for children 4 years and older. Grown-ups love them, too!

Suggested Use: For 4 years and over, two gummies daily, with food, or as directed by your health care professional or pharmacist. Please ensure child chews each gummy thoroughly.

Store in a cool, dry place, away from sunlight. Do not take if tamper-evident seal is broken or missing. Keep out of the reach of children.
