Sunfiber[®] is a registered trademark of Taiyo International, Inc. Use of Sunfiber[®] is protected by US Trademark Registration No. 2,930,937.

BioCore[®] Edge is a trademark of National Enzyme Company, Inc.

*In a double-blind, randomized, placebo-controlled, cross-over study, 25 subjects exercised on a treadmill on two occasions. On one occasion, the subjects took the thermogenic blend before exercise and on the second occasion, they took a placebo. When the subjects took the thermogenic blend, they burned three times more calories before, 3% more calories during and 12 times more calories after exercise compared to when they took the placebo.

To get your own personalized meal and exercise program, visit GNC.com/TotalLeanAdvanced today.

DIRECTIONS FOR USE

First Time Users	As individual tolerances may vary, you may begin by taking 1 scoop mixed in 4 fl. oz. of cold water for 5-7 days, and then increase to the suggested 2 scoop dose once your level of comfort has been assessed.
For Maximum Results	Add two scoops (46.2 g) to 8 fl. oz. of cold water, mix well, and enjoy 30 minutes prior to exercise. Do not take near bedtime.
