

**D-Mannose** is a monosaccharide hexose sugar that is part of the family of sugars in the aldohexose series. It is a sugar made by plants, and is primarily found in cranberries, apples, peaches, and raspberries, among other plants. D-Mannose can maintain a healthy urinary tract. It is also considered to be a supporter of liver and intestinal function. †

**D-Mannose** capsules manufactured by Superior Labs contain 500mg pure D-Mannose with absolutely no magnesium stearate, dioxides, preservatives or other potentially harmful artificial ingredients of any kind.

This product is formulated, developed and manufactured in an FDA registered and GMP compliant facility for superior quality assurance.

**Suggested Use:** As a dietary supplement, adults take 1 capsule two to three times per day or as directed by your health care practitioner. Best when taken with a meal.

**Caution:** Do not exceed recommended dosage. Please consult physician if pregnant or nursing, taking medication or have a medical condition before consuming this product. Not intended for use by individuals under the age of 18. Store in a cool, dry place. Do not use if safety seal is damaged or missing. **KEEP OUT OF REACH OF CHILDREN.**

†These statements have not been evaluated by the Food and Drug Administration. This Product is not intended to diagnose, treat, cure or prevent any disease.
