HOW IT WORKS: Protocol for Life Balance® Plant Protein Complete is specifically formulated to provide a potent source of plant protein that is both easy to digest and abundant in amino acids. Our proprietary blend consists of non-GMO vegan protein from Pea, Hemp and Quinoa sources. Each 1 scoop serving provides 22 grams of protein, and typically has about 3,900 mg of branched-chain amino acids and 1,800 mg of L-Arginine. Naturally sweetened with xylitol and stevia extract with a hint of natural vanilla, Protocol for Life Balance® Plant Protein Complete tastes great and mixes easily.
