

SUGGESTED USAGE: Take 1 capsule daily, preferably with a meal, or as directed by your healthcare practitioner.

HOW IT WORKS: Ginkgo Biloba is grown and extracted under the highest quality standards and is standardized to min. 24% ginkgoflavonglycosides and min. 6% terpene lactones, including ginkgolide B, ginkgolides A, C and bilobalide. Ginkgo helps to promote optimal circulation and support brain health, and has also been well recognized as a powerful free radical scavenger.*

CAUTIONS/INTERACTIONS: Do not use if you are pregnant or nursing. At high doses, this product may affect blood pressure and bleeding time, or may cause mild, but transient GI upset, headache, tinnitus, or dizziness. Ginkgo may interact with anticoagulants and antiplatelet medications, anticonvulsants, and antidepressants. If you are taking any prescribed medications, planning to have surgery, or if you have liver disease or a coagulation disorder, consult your healthcare practitioner before taking this product.
