USAGE: Chew 2 tablets 30 minutes after a meal or on an empty stomach followed by 1/2 glass of water 20 minutes before eating. Recommended for children age 2 and above taken under the supervision of a parent or caregiver. May take up to 4 tablets a day or as directed by your qualified health care consultant.

Jarrow FORMULAS® Yum-Yum Dophilus® provides 4 strains of potent beneficial bacteria in a yummy chewable tablet. Beneficial intestinal flora can be depleted by a diet that is low in fiber, high in meat and sugar, by medication taken for illness and infections, by travel and by stress, etc. The result is the disruption of the normal intestinal microflora, which can affect digestion and well being.*

The friendly bacteria in **Yum-Yum Dophilus®** favorably balance the microorganisms in the intestines, support immune function and promote health.*

Xylitol is used to enhance the taste and promote dental health.*

Sugar-Free. No artificial sweetener, flavor or color.

Each tablet is individually blister packed for enhanced stability and convenience.

Keep out of the reach of children.

Keep product refrigerated.
