CODE 791296

It's long been accepted that Branched Chain Amino Acids (BCAA) – leucine, isoleucine and valine – are critically important for stimulating muscle protein synthesis, reducing protein breakdown and preserving muscle glycogen stores. Sometimes it's difficult to get the proper nutrients when you are on the go. Now with GNC's Pro Performance® BCAA Complex Chew, you can get your essential BCAA whenever and wherever you are! Put them in your car, your gym bag or your briefcase and fulfill your BCAA necessities wherever you are.

MAXIMIZE MUSCLE BUILDING†

The full muscle-building potential of a GNC product is based on its total nitrogen content – so the more nitrogen a product has, the stronger it will perform. Nitrogen needs increase during training, and if nitrogen levels are low, your body pulls from muscle stores which can result in catabolism, poor performance and longer recovery. Pro Performance® BCAA Complex Chew helps fuel performance and anabolism.*

GNC QUALITY COMMITMENT For more than 79 years, GNC has been the leader in the development of superior nutritional supplements. Our products are produced using only fresh, high-quality ingredients and are manufactured under the strictest quality controls.

GNC GUARANTEE If you are not 100% completely satisfied, return the unused portion of the product with your receipt to a GNC store within 30 days. Our trained sales staff will either refund your purchase price or, if you prefer, assist you in finding a replacement product to help you LIVE WELL.
