Lutemax® 2020 is a trademark 2020 of OmniActive Health Technologies.

'In a randomized, double-blind, placebo-controlled study of 112 healthy volunteers. subjects taking the GNC vitamin and mineral blend in this product for six weeks. experienced statistically significant improvements in markers of B vitamin and antioxidant status, as well as improvements in SF 36 Vitality and Mental Health scores compared to those taking a placebo.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

### OUR QUALITY COMMITMENT TO YOU

Since 1935, our mission as the industry leader has been to provide you with the highest-quality nutritional supplements. We continue to stand behind this mission. If you're not 100% satisfied with your purchase, return the unused portion of the product with your receipt within 30 days and we'll either refund your money or find you a replacement product that is right for you.

# GNC

# WOMEN'S **ULTRA MEGA®** Diabetic Support

Women's Ultra Mega® Diabetic Support is scientifically designed for the special dietary needs of people with diabetes and is formulated to provide optimal health benefits when taken as directed every day. Use it with the enclosed nutritionally balanced diet.\*

Blood Glucose & Metabolism Support Contains key nutrients involved in glucose metabolism and utilization. Zinc and key B vitamins provide support for carbohydrate metabolism.\* Chromium helps maintain glucose homeostasis, and vanadium may have a positive effect in glucose metabolism.\* A combination of herbal ingredients including cinnamon, bitter melon, fenugreek and gymnema sylvestre is included for additional support.\*

Circulatory & Cardio Health Blend Includes ginkgo biloba to support increased peripheral blood flow, arginine, a precursor of nitric oxide which helps maintain blood vessel tone, and choline to support lipid transport and metabolism.\*

Eye Health Support

Delivers powerful ingredients that support eye health. The superior form of lutein in this formula is more bioavailable than regular lutein. Hvaluronic acid is an important structural component of the eve.\*
