When the natural balance of good and non-beneficial bacteria in your digestive tract is disturbed, your digestive health is open to a host of potential concerns.

Culturelle®, with the most clinically studied probiotic,^{††} *Lactobacillus* GG, and inulin, a known prebiotic, naturally promotes a healthy balance in your digestive tract.*

Take Culturelle daily to:

- Help boost digestion and overall digestive health*
- Help reduce the likelihood of gas and bloating*
- Help support the immune system and general well-being*
- Help minimize travel-associated stomach and digestive issues*

Culturelle is safe for everyday, long-term use.

Suggested Use for Adults:

As a dietary supplement, take one (1) capsule per day to support digestive and immune health. Continued daily use is suggested. If experiencing occasional digestive upset, two (2) capsules daily (take one (1) in the morning and one (1) at night) until discomfort subsides.

When traveling, take two (2) capsules daily (one (1) in the morning and one (1) at night) throughout the trip. Best results if started two to three days prior to travel.

KEEP OUT OF REACH OF CHILDREN. Inform a healthcare professional before starting any dietary supplement, particularly if there is a known immune-compromised condition.

Guarantee of Purity & Potency

The *Lactobacillus* GG strain (*Lactobacillus rhamnosus* GG - ATCC 53103) was discovered in 1983 at Tufts University in Boston, MA. Considered the premier probiotic in the world, *Lactobacillus* GG has been the subject of over 1000 scientific studies. **Culturelle®** is the only dietary supplement brand with 100% *Lactobacillus* GG. We certify that our products meet the highest standards of purity and potency. Unlike some products, which measure the number of probiotic cultures at time of manufacture, **Culturelle®** guarantees the stated number of live naturally sourced *Lactobacillus* GG cultures through the expiration date on the package.**
