DAILY PROBIOTIC

Culturelle® Digestive Health

When the natural balance of good bacteria in your digestive tract is disturbed, your digestive system is open to a variety of issues.

So, it is Important to Take Charge of your Digestive Health Every Day! Only Culturelle® Digestive Health contains 10 billion live active cultures of *Lactobacillus* GG, the most clinically studied probiotic strain^{††} to help your digestive system work better; plus the prebiotic Inulin. *Lactobacillus* GG works naturally with your body to help:

- Keep your digestive system in balance*
- Reduce the likelihood of occasional diarrhea, gas and bloating*
- Minimize travel-associated stomach and digestive issues*

Balances
Digestive System*

Culturelle® Digestive. At the Core of Good Health.™

DAILY PROBIOTIC

Directions for 12 years of age and older: For daily use, take one (1) capsule per day. For optimal results, continued daily use is suggested. If experiencing occasional digestive upset, two (2) capsules daily [take one (1) in the morning and one (1) at night] until discomfort subsides. When traveling, take two (2) capsules daily [one (1) in the morning and one (1) at night] throughout the trip. For best results start two to three days prior to travel.

KEEP OUT OF REACH OF CHILDREN. Inform a healthcare professional before starting any dietary supplement, particularly if there is a known immune-compromised condition.
