

LIPOSOMAL ENCAPSULATION

FoodScience® of Vermont's liquid **vitamin C** is encapsulated in a liposome, an advanced system designed to protect the nutrients from the digestive system and deliver the nutrients in a highly absorbable form. This means superior bioavailability to support immune health.*

This high potency vitamin C is in an easy-to-swallow liquid naturally flavored with orange. Each bottle contains 90 servings, each one delivering 8 times the recommended daily intake.

Color, flavor and sweetness of this product may vary due to variations of natural ingredients.

Warning: If pregnant or nursing, consult your healthcare practitioner before taking this product.

Keep out of reach of children. Store upright in a cool, dry place. Refrigeration is recommended after opening, but not required. For ultimate freshness product should be used within 90 days of opening.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

†Made with Non-GMO ingredients.
