

LIPOSOMAL ENCAPSULATION

FoodScience® of Vermont's liquid **vitamin D3** is encapsulated in a liposome, an advanced system designed to protect the nutrients from the digestive system and deliver the nutrients in a highly absorbable form. This means superior bioavailability to support healthy bones & teeth.*

Our vitamin D3 is a bright lemon flavored, easy-to-swallow liquid and contains 90 high potency servings of Vitamin D3. Your body converts sunshine into Vitamin D but we can deliver your D even on a cloudy day.

Color, flavor and sweetness of this product may vary due to variations of natural ingredients.

Warning: If pregnant or nursing, consult your healthcare practitioner before taking this product.

Caution: Do not exceed recommended use without supervision of a healthcare practitioner.

Keep out of reach of children. Store upright in a cool, dry place. Refrigeration is recommended after opening, but not required. For ultimate freshness product should be used within 90 days of opening.
