Delicious chewable vitamin C wafers are naturally fruit-flavored. Our vitamin C wafers contain 500 mg of vitamin C in a blend of citrus bioflavonoids, hesperidin, rosehips and rutin to optimize the body's use of vitamin C. Bioflavonoids both enhance the absorption and act in synergy with vitamin C to provide antioxidant protection, keep collagen healthy and help increase capillary strength.*

Vitamin C is a powerful antioxidant which supports healthy bones, cartilage, teeth and gums. It helps protect cells against free radical damage and vitamin C deficiencies in the daily diet and supports healthy cell growth.*
