

Suggested usage: Chew 1 wafer per day or as directed by a health professional.

Cautions: As with any supplement, consult your health professional before use if you are pregnant, breastfeeding or trying to conceive, or if you are taking medication, have a medical condition or anticipate a surgery. Keep out of the reach of children.

Delicious chewable vitamin C wafers are naturally fruit-flavored. Our vitamin C wafers contain 500 mg of vitamin C in a blend of citrus bioflavonoids, hesperidin, rosehips and rutin to optimize the body's use of vitamin C. Bioflavonoids both enhance the absorption and act in synergy with vitamin C to provide antioxidant protection, keep collagen healthy and help increase capillary strength.*

Vitamin C is a powerful antioxidant which supports healthy bones, cartilage, teeth and gums. It helps protect cells against free radical damage and vitamin C deficiencies in the daily diet and supports healthy cell growth.*
