IN-VISION™ with Lutein

180 Capsules
Dietary Supplement

Contains antioxidant compounds which help maintain capillary strength and micro-vascular integrity. Lutein is known to protect the retina of the eye from sunlight and may help prevent age-related macular degeneration, the leading cause of blindness in older adults. Bilberry has a positive, short-term effect on night vision and may help prevent cataracts and glaucoma with regular consumption.

*Suggested Use as a Dietary Supplement:
Adults take one capsule with a meal up to two times daily.*
