GNC Women's Ultra Mega® Menopause Vitapak® Program conveniently combines nutrients

Women's Ultra Mega® Bone Density without Iron and Iodine
Our premium timed-release, clinically studied^ formula includes vitamins and minerals

designed specifically to emphasize the key nutrients for bone health. Features 1,000

mg of calcium, 2.000 IU of vitamin D-3 and 40 mg of clinically studied MBP®, a protein

complex derived from milk, shown to support natural bone building.* Enhanced with a

broad spectrum of cell-protecting antioxidant nutrients and vitamin K. copper, zinc and

manganese which are essential nutrients involved in the formation of the bone matrix.*

An advanced isoflavone formula that features standardized soy isoflavones. Natural soy

isoflavones act as mild estrogens and may help manage hot flashes and night sweats

associated with menopause.* This formula is enhanced with black cohosh, a popular

Supplies a natural source of the omega-6 fatty acid gamma-linolenic acid (GLA). GLA

provides dietary support for cardiovascular system function, healthy blood lipid levels

and healthy joint function.* It also helps to maintain smooth, healthy-looking skin and

acts as a precursor to prostaglandins, hormone-like substances that help to regulate

herb studied in German clinical trials and frequently recommended for hot flashes.

and special ingredients designed to support a woman's overall health as she experiences
