Allertonic® promotes healthy inflammatory responses of the respiratory and gastro-intestinal tracts.* Stabilizes mast cell walls and fixed antibodies found in the eyes and respiratory system.*

Suggested Use: Immediate support: Take one softgel with water every two to three hours until optimal comfort is achieved. Noticeable comfort is attained within the first or second day.

Ongoing: Take one softgel with water three times a day.

Proactive: Two months prior to seasonal challenges, take one softgel with water twice a day.

Best results are achieved when taken with Quercetin AllerReLeaf®.
