

NON-GMO · MASS SPEC

Documentation ✓ Lab Tested ✓

Suggested usage: 1 tablet with each meal or as directed by a health professional.

Cautions: As with any supplement, consult your health professional before use if you are pregnant, breastfeeding or trying to conceive, or if you are taking medication, have a medical condition or anticipate a surgery. Keep out of the reach of children.

Chewable Papaya Enzymes tablets are a delicious source of beneficial enzymes for supporting digestion.* Papain and bromelain act to break down proteins into various amino acids. Amylase breaks down carbohydrates. Amla (gooseberry) supports enzymatic activity.* Natural supplementation is an excellent way to replenish enzymes that are lost in foods during cooking and processing.

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial preservatives or sweeteners; no dairy, wheat, gluten, yeast, soy, egg, fish, shellfish, animal products, salt, tree nuts, or GMOs. Suitable for vegetarians/vegans. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.
