THE BENEFITS OF EPA

EPA is the key Omega-3 in fish oil that is clinically proven to improve heart health and mood. It's also the superior Omega-3 to support circulatory health, healthy triglyceride and cholesterol levels, joint health and the body's natural anti-inflammatory response.*

Clinically proven for heart health plus support for healthy triglyceride & cholesterol levels*

Superior support for the body's natural anti-inflammatory response*

Clinically proven to support a healthy, balanced mood*

OUR QUALITY COMMITMENT TO YOU

Since 1935, our mission as the industry leader has been to provide you with the highest-quality nutritional supplements. We continue to stand behind this mission. If you're not 100% satisfied with your purchase, return the unused portion of the product with your receipt within 30 days and we'll either refund your money or find you a replacement product that is right for you.
