

USAGE: Take 1 capsule per day with a meal or as directed by your qualified health care consultant.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, or taking medications, consult your health care practitioner before using this product.

Glutathione is the most abundant intracellular thiol (sulfur-containing compound) and low molecular weight tripeptide found in living cells.* Thiols such as glutathione, alpha lipoic acid and NAC are powerful sulfur-bearing antioxidants.* The antioxidant functions of **Glutathione Reduced** include recycling vitamins E and C and serving as a critical nucleophilic scavenger, to block free radical damage to all types of tissues.*

Keep out of the reach of children.
