

BACKGROUND INFORMATION GOAL: To make the broadest spectrum, most deeply effective antioxidant product currently possible (both water and fat soluble) at the best possible value. Free radicals wage a crushing war of destruction on the body, contributing to virtually every degenerative and aging process known.* It's time to stop them. It's time to fight back! Antioxidant Extreme™ allows you to actually achieve the benefits that research shows these amazing nutritional substances can provide!

ULTIMATE ANTIOXIDANT SUPPORT Antioxidant Extreme™ provides a comprehensive antioxidant complex with unprecedented bioavailability and overall effectiveness.* Contains botanical extracts and synergistic whole foods.

THE ANCIENT POWER OF TURMERIC The use of turmeric in Ayurvedic medicine dates back at least 5,000 years. Its active ingredient, curcumin, is a powerful antioxidant. Turmeric helps with the support of chronic pain and inflammation as well as brain and liver function.*

HERBAL ANTIOXIDANT ACTIVATORS™ Antioxidant Extreme™ contains potent antioxidants that significantly enhance the effectiveness of the other botanicals present.*

Exclusive EcoFresh Nutrient Lock™: Recyclable amber glass with airtight rubberized metal lid and oxygen absorber actually preserves the effectiveness of the product.

TruGanic™: Actual testing (which no other standard requires) to verify non-GMO status and 100% free from pesticides and irradiation.

SUGGESTED USE: 4 VeganCaps™ per day. Not an "all or nothing" supplement. Just 2 VeganCaps™ are extremely beneficial and far more potent than other products. Ingest with conscious, positive intent.

SUGGESTED ADJUNCTS: A whole foods, organic, Vegan diet with emphasis on high-water-content fruits and vegetables, fresh juices, herbs/spices; Vitamineral Green™ and Earth™ (comprehensive superfood complexes), Liver Rescue™ (metabolic antioxidant enzyme support), Truly Natural™ Vitamin C, exercise (try rebounding), limit exposure to EMFs (electro magnetic frequencies from electrical devices).

"Mother Nature has put miraculous healing plants on this earth for us to benefit from. I am honored and deeply driven to uncover the greatest potential benefits from these elements and to assemble these gifts from nature into products that help people to heal and to realize their full potential. I am deeply committed to developing the highest quality nutritional products – with a reverence for all life. I wish you great health and happiness always."

Dr. Jameth Sheridan – Naturopath and Hard-Core Herbal Medicine Researcher
