

ONE VEGANCAP™ PER DAY CONTAINS 400% MORE GINKGO EXTRACT THAN MOST OTHER PRODUCTS. Numerous studies have shown that Ginkgo is far more effective in higher amounts (at least 120 mg up to 600 mg per day) and more effective when taken in higher potencies, less times per day, than lower potencies more times. HealthForce CircuForce™ contains 250 mg Ginkgo biloba extract plus Siberian eleuthero extract and gotu kola extract as supportive herbs. HealthForce CircuForce™ offers the maximum effectiveness at the best possible value.

SUGGESTED USE: Take 1 VeganCap™, ideally on an empty or light stomach, such as with fresh, raw juice, fruits, or vegetables. It is appropriate, however, to take with other foods or anytime. Take up to 2 servings (2 VeganCaps™) per day.

SUGGESTED ADJUNCTS: A Vegan, organic, moderate fat, whole/unprocessed diet with an emphasis on high-water-content raw foods; HealthForce Vitamineral Green™ (a unique superfood complex), Oxygen Extreme™, Liver Rescue™, cayenne pepper, ginger, and exercise (both aerobic (try rebounding) and strength exercises).

CAUTION! This product may interact with blood thinning medications. If you take a blood thinning medication, consult with your doctor before taking this product.

100% POST-CONSUMER RECYCLED PAPER (DIOXIN FREE) PRODUCED WITH WIND ENERGY.

The FDA has NOT approved this product for blood thinning.
