# HERBAL HILLS®

Back to Nature

## TRIKATU

### Digestive Support

# 120

## Veggie Capsules

Standardized Extract / 0.29% Volatile Oil\*

• PURE • NATURAL • EFFECTIVE

\*\*\*In the word Trikatu, 'Tri' means three and 'Katu' means hot and pungent. Trikatu is a mixture of three hot spices - Sunthee, Miri & Pippali. It is useful in digestive and respiratory conditions. When used with other herbs, it helps increase the bioavailability of the other herbs. It helps improve metabolism and therefore supports weight management.

### Supplement Facts

Serving Size 1 Capsule

|                                                                                                                                                             | Amount Per Serving | % Daily Value |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|---------------|
| Trikatu extract & Trikatu powder Blend<br>(Fruit of Zingiber officinale, Piper longum, Piper nigrum)<br>(Standardized to contain 0.29% Volatile Oil = 1 mg) | 350 mg             | **            |
| ** Daily Value not established                                                                                                                              |                    |               |
