

THE HISTORY OF VITAMINERAL EARTH™ ("EARTH™"): My deepest passion is for the Earth and all of its inhabitants to be healed on a core level. Compromise is not an option. Hype is Nothing. Substance is *Everything!* Great Spirit put the plants we need for optimum health on the Earth for us. It is my great honor to assemble them for you. Earth™ contains the herbs used in the legendary Rene Caisse formula and also incorporates a variety of other synergistic roots, barks, and herbs.

SUGGESTED USE: Start with 1 teaspoon per day and increase gradually over two weeks to suggested use of 1 tablespoon per day. Use Earth™ on its own or take with or in the same day as Vitamineral Green™ for a balance of yin/yang. Vitamineral Green™

and Earth™ are designed to be used together for comprehensive nutritional support. **Smoothies/ Foods:** Will thicken and nutritify. **Broth or Tea:** Add to hot water or make a tea (virtually all natives made teas of herbs with hot water). Tea/broth produces a totally different flavor (with more phytonutrients). **Other Foods:** Add to foods such as soups, salads, dressings, casseroles, hot/cold cereals, or to balance sweets. Great for fasting/detox.

"HYPE IS NOTHING. SUBSTANCE IS *EVERYTHING!*"

100% TruGanic™: Actual testing (which no other standard requires) to verify non-GMO status and 100% free from pesticides and irradiation.

"The quality, therapeutic concentration, and affordability of a nutritional product can, and often does, mean the difference between lethargy and energy, sickness and health, and, quite literally, life and death. I don't want anyone to be tired, sick, or dead because they could not obtain or afford the best possible product. Loyalties can be divided. I want to make it clear where mine lies. My loyalty is to those who want to thrive, and those whose life situation requires them to thrive. My loyalty is to the end user. My loyalty is to you. In my life now, and one day when I look back upon my life, that will have value to me incomparable to any amount of money, investors, or fame."

EcoFresh Nutrient Lock™. Our dark glass with unique metal lid and oxygen absorber protects 100% of nutrients (creates a vacuum). Glass is recycled/recyclable, does not outgas, and is non-toxic to melt down. Plastic bottles and metal/foil pouches (worst and not recyclable) dramatically degrade nutrient levels. Plastic outgasses and is highly toxic to melt down.
