DIETARY SUPPLEMENT

PYCNOGENOL®

PROANTHOCYANIDIN COMPLEX

50 MG • 60 TABLETS

Supplement Facts

Serving Size 1 Tablet

	Amount Per Serving
French Maritime Pine Bark Extract (Pycnogenol®)	50 mg†
(65% procyanidins)	

†Daily Value not established.

Other ingredients: microcrystalline cellulose, dibasic calcium phosphate, stearic acid, magnesium stearate, modified cellulose gum, and silica.

PYCNOGENOL® is a natural plant product made from the bark of the European coastal pine, *Pinus maritima*. PYCNOGENOL contains 65% procyanidins, a special class of water-soluble antioxidant flavonoids which are excellent free radical scavengers. Proanthocyanidins are believed to play an important role in maintaining good health.*

Suggested Use: 1 tablet daily. To build reserves rapidly, start with 1 tablet per 50 pounds of body weight per day, for 7 to 10 days.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Pycnogenol® is a registered trademark of Horphag Research, Ltd. Use of this product maybe be protected by one or more U.S. patents and other international patents.
