

Friendly Force™ is a synergy of acid-resistant, non-dairy probiotics that naturally support a balanced and healthy intestinal ecology.* A healthy intestinal ecology is known to:

- Support digestion and nutrient assimilation*
- Participate in the creation of nutrients such as B vitamins, enzymes, and neurotransmitters (the gut is your second brain)*
- Support immune function*
- Support healthy bowel movements*
- Help maintain endocrine balance*

Whole food synergists yacon and burdock provide powerful phytonutrients and inulin growth medium (not isolated FOS) that supports healthy probiotic growth.* **Marshmallow and kelp** provide mucilaginous probiotic protection, and support integrity of intestinal walls.* Kelp provides heavy metal chelation, full-spectrum minerals, plus mannose and fucose for immunity.*

Suggested Use: 1 VeganCap™ per day. Do not take at the same time of day as antibiotic substances. Best if refrigerated after opening.

TruGanic™: Actual testing (which no other standard requires) to verify non-GMO status and 100% free from pesticides and irradiation.
