

Liquid Light – Mineralized Solar Energy

Liquid Light delivers ancient solar energy to the present. This raw, plant-based fulvic acid and liquid mineral complex was created by nature well before modern pollutants came into being.

Fulvic acid and ionic trace minerals are extracted using simple, pure, cold water to create a liquid supplement ready to revitalize a depleted world.

- A natural source of polyelectrolytes*
- Delivers essential nutrients and trace minerals*
- Over 72 trace minerals naturally complexed with fulvic acid*
