

USAGE: Take 1 tablet 1 to 2 times per day or as directed by your qualified health care consultant. **Easy-Solv®** tablets are designed to disintegrate within several minutes of ingestion.

NOTE: DO NOT use if allergic to shellfish. If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your health care practitioner before using this product.

Glucosamine is a component of joints and intestinal tissue and is involved in the production of synovial fluid, which lubricates the joints.* **Sulfur** is also utilized in the production of cartilage tissue.* For best results, use with **Jarrow FORMULAS® JarroSil®**, the biologically **Activated Silicon®**.

Keep out of the reach of children.
