Servings Per Container 94

	Amount Per Serving	%DV
Calcium (from coral)	420 mg	40%
Coral Calcium	1.2 g	†

†Daily Value not established.

Coral Calcium is an excellent source of calcium, the single most abundant mineral in our bodies. In addition to building healthy bones, calcium plays essential roles in muscle contractions, heartbeat, blood clotting, nerve transmission, and in converting signals from hormones in the blood into actions within cells. The vitamin D in this formula supports intestinal absorption of the calcium that you eat and its optimal use in the body. Adequate calcium and vitamin D throughout life in a healthful diet may reduce the risk of osteoporosis in later life. Source Naturals **CORAL CALCIUM** is eco-friendly: It is harvested from fossilized (dead) coral and is not harmful to living coral.*

Suggested Use: 1/4 teaspoon 1 to 2 times daily, mixed with 8 ounces of water or juice.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

HYPOALLERGENIC: contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
