

Suggested usage: 1 softgel 2–3 times per day or as directed by a health professional.

Cautions: As with any supplement, consult your health professional before use if you are pregnant, breastfeeding, or trying to conceive, or if you are taking medication, have a medical condition, or anticipate a surgery. Keep out of the reach of children.

Ultra Prim is made from the highest quality evening primrose oil, a natural source of the omega-6 essential fatty acid gamma-linolenic acid (GLA). GLA is a fatty acid that is important for healthy inflammatory response, immune response, and promotes women's health by providing nutritional support for PMS.* The oil is extracted by cold pressing, also called expeller pressing. This gentle method crushes the seed to release its nutritional oil, without the application of external heat or harsh solvents such as hexane. Cold pressing enhances stability and helps preserve the nutritional components of the oil. Ultra Prim is also ultra-purified to remove any organic residues or impurities, giving you a stable product without preservatives.

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial colors, preservatives, or sweeteners; no dairy, starch, sugar, wheat, gluten, yeast, corn, egg, fish, shellfish, salt, tree nuts, or GMOs. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.
