DIETARY SUPPLEMENT

SOD POWER™

AS GLISODIN®

SUPEROXIDE DISMUTASE (SOD)

250 MG • 60 TABLETS

Supplement Facts

Serving Size 1 Tablet

Amount Per Serving			%DV
Calcium	51 mg		5%
Superoxide Dismutase/Gliadin Complex	250 mg		†
(GliSODin®) (250 IU)			
†Daily Value not established.			

Other ingredients: dibasic calcium phosphate, stearic acid, modified cellulose gum, and silica.

Contains wheat.

Suggested Use: 1 tablet up to 4 times daily.

SOD POWER™ as GliSODin® is an innovative form of superoxide dismutase (SOD), an important enzyme in the body for protecting the body's cells and tissues from free radical damage. SOD POWER is 100 percent vegetarian and is comprised of gliadin, a wheat protein extract, and a melon extract containing SOD. Preliminary evidence suggests that the gliadin may protect the SOD enzymes from degradation in the digestive tract and may support an increase in circulating antioxidants.*

WARNING: Do not take this product if you are allergic to wheat, gluten, or have celiac disease. Do not take it if you are pregnant, may become pregnant, or breastfeeding.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

STORE IN A COOL, DRY PLACE.

Suitable for vegetarians. Contains no yeast, dairy, egg or soy. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.

GliSODin® is a patented and registered trademark of Isocell SA, France.
