Probiotic + Nature Trim

A HOLISTIC APPROACH TO DIGESTIVE HEALTH & WEIGHT MANAGEMENT*

Probiotic + Nature Trim provides a synergistic blend of natural, evidence-based ingredients for a holistic approach to digestive health & weight management.*

LactoSpore™ is a novel probiotic strain that promotes growth of beneficial bacteria in our gut and proven to survive harsh stomach acids for maximum digestive benefit without the need for refrigeration. Green tea extract is paired with all-natural, energy-boosting caffeine to support healthy weight management, metabolism and minimize diet fatigue.*

Actazin™, a cold-pressed kiwi fruit powder is incorporated to naturally promote healthy digestion and regularity.*

REFRIGERATION NOT REQUIRED

LactoSpore™ is a registered trademark of Sabinsa Corporation. Along with the LactoSpore™ logo, InnovaTea® is a registered trademark of NutriScience Innovations, LLC
ACTAZIN™ is a trademark of Anagenix Ltd.

Probiotic + Nature Trim features a blend of natural, evidence-based ingredients for a holistic approach to digestive health & weight management.*

LactoSpore® Probiotic – LactoSpore is a novel, probiotic strain (*Bacillus coagulans*) that promotes the growth of beneficial bacteria and helps reduce the proliferation of harmful bacteria in the gut. It is scientifically proven to survive harsh stomach acids in our gastrointestinal system to provide maximum benefit such as easing constipation, gas and bloating.*

Natural Green Tea Extract – Green Tea is a source of naturally-occurring polyphenols, particularly epigallocatechin gallate (EGCG), which supports healthy weight management, metabolism and antioxidant protection.*

Natural Caffeine – InnovaTea® provides an all-natural source of caffeine from tea leaves. Natural, energy-boosting caffeine helps control your appetite, supports metabolism and minimizes diet fatigue.*

ACTAZIN™
New Zealand Kiwi Fruit – Actazin™ is a cold-pressed kiwi fruit powder that is a safe, natural way to support healthy digestion and regularity.*
