

Our livers are constantly stressed from food toxins, environmental toxins, drugs (over the counter and prescription). A stressed liver has profound health ramifications for the entire body. **Liver Rescue™** contains powerful liver herbs that:

- Support healthy bile flow and both Phase I and Phase II liver detoxification*
- Provide powerful direct antioxidants to support liver function*
- Support the liver's ability to produce the powerful metabolic antioxidant enzymes superoxide dismutase (SOD) and glutathione peroxidase*

SUGGESTED USE: 2 VeganCaps™ per day (or as advised by a health care professional)

100% POST-CONSUMER RECYCLED PAPER (DIOXIN FREE) PRODUCED WITH WIND ENERGY.

Exclusive EcoFresh Nutrient Lock™:
Recyclable amber glass with airtight rubberized metal lid and oxygen absorber actually preserves the effectiveness of the product.

"Mother Nature has put miraculous healing plants on this earth for us to benefit from. I am honored and deeply driven to uncover the greatest potential benefits from these elements and to assemble these gifts from nature into products that help people to heal and to realize their full potential."
